## OLD BUSINESS

1. Update on repair of vehicle number 372 (Action Item) – Chief Glazier received a call on Friday from the company that has the part and says the part can be fixed for \$6,000.00. Commissioner O'Neel asked if Chief Glazier has an estimate on the cost to install the part? Chief Glazier stated he felt it would not be that expensive to have the part installed. At that point we will see if we want to keep the truck or sell it. Commissioner Bryan motioned to have the part fixed, at an estimated cost of \$6,000.00 and to have the part installed.
